

Celebrating the work of pioneering Trinidadian artist and textile designer Althea McNish. Midnight Palms, the Wales Bonner Spring Summer 2025 collection.

Wales Bonner proposes a distinct notion of cultural luxury that infuses European heritage with an Afro Atlantic spirit.

Launched by Grace Wales Bonner following her graduation from Central Saint Martins in 2014, the label is informed by broad cultural research and embraces a multiplicity of perspectives.

Wales Bonner welcomes applications from exceptional individuals from both within and outside of the fashion industry. We are seeking those eager to further our mission: To elevate the location of blackness within culture, infusing European luxury with an Afro-Atlantic spirit. You would join our small, diverse and dynamic team, working in an environment that fosters ambition and innovation with a progressive, start-up feel.

We are most interested in hearing from those who harmonise with and embody our brand values: who approach everything they do with a dedication to careful research, curiosity and a passion for knowledge; who have a profound appreciation for timeless elegance and beauty; who are guided by integrity; and who are committed to personal and professional development in all of its forms.
