

## ALT PROJECTS

### YALE SCHOOL OF ART Mission and Vision

#### UNIVERSITY MISSION

Yale is committed to improving the world today and for future generations through outstanding research and scholarship, education, preservation, and practice. Yale educates aspiring leaders worldwide who serve all sectors of society.

#### SCHOOL OF ART MISSION

To provide an educational framework that fosters self-discovery, self-determination, and self-empowerment for artists and designers.

#### SCHOOL OF ART VISION

Art as an essential part of humanity, and artists and designers who have the power to improve the communities in which we live, regionally, nationally and internationally.
